Silver-line Network  
in the Healthcare Field

# SILVERLINE

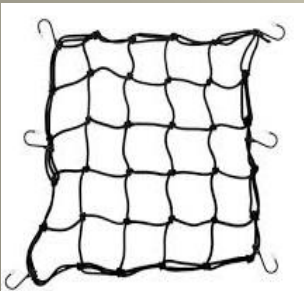

- for us with silver hair
- for us who have grown older
- for us who know what it means to "stand with your back against the wall"
- for us with experiences to share

# SILVERLINE

- Have you been hospitalized?
- Do you have visits from the local health services?
- Do you sometimes go to health facilities for medical help, X-rays, scanning, or visiting the sick?

# SILVERLINE

- For us who know how to pray
- we who know that “a kind word makes hearts happy”
- We who draw strength for the day through prayer
- We who know: “ALL IS GRACE”

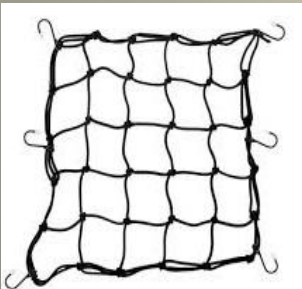

# SILVERLINE

- What is the vision?
- Will you join in a 'prayer walk' when you visit health facilities or when a Caregiver visits you?

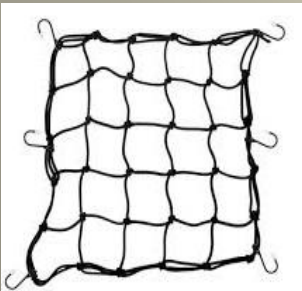

**Health professionals and Caregivers are in need of our intercession**

# SILVERLINE

- Will you be an intercessor in The Healthcare Field?
- Pray for hospitals, nursing homes, care centers, institutions, medicals and all those who care for the sick
- Pray for those who are in the ambulance when you hear the siren
- Make prayer your lifestyle
